- 9.4. If you withdraw from the Contract, we shall refund you all amounts received from you, including the delivery charges, (except the additional costs resulting from your choice of a type of delivery other than the least expensive delivery method we offer), without undue delay and in any event not later than fourteen (14) days from the date on which we are informed about your decision to withdraw from this contract. We will refund you using the same payment method that you used when you placed your initial order, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement. We may withhold reimbursement until we have received the Products back or you have supplied evidence of having sent back the Products, whichever is the earliest.
- 9.5 You shall send back the Products or hand them over to us, without undue delay and in any event not later than 14 days from the day on which you communicate your withdrawal from the Contract to us. The deadline is met if you send back the Products before the period of 14 days has expired.

This return will occur within fourteen (14) days from the date we informed you of the rejection of the returned Products, unless a force majeure event, an event beyond our reasonable control or any unforeseeable circumstance occurs.
- 9.9. You are liable for any diminished value of the Products resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the Products.

10. Exchange of Products

- 10.1. Without prejudice to your statutory rights according to Sections 9 and 11, and with the exception of Non-returnable Products, we accept exchanges of Products purchased on the Website within fourteen (14) days after the date of delivery.

- 10.4. The Products shall be returned in their original condition, unaltered, unused, undamaged, in their original packaging and with original tags and labels attached along with all accessories and related documents (e.g., instructions booklet, Product certificates, etc.) if any. We reserve the right to reject the returned Products and decline exchange if any returned Product for exchange does not meet these conditions.
- 10.5. You will have to bear the direct cost of returning the Products.
- 10.6. We will reimburse the amount paid by you, with the same payment methods used for the purchase, no later than 14 (fourteen) days from the delivery to Ginori 1735 of the returned Product. Then, you may proceed with a new order.
- 10.7. Any fees or charges, or other costs whatsoever, incurred as a result of your exercising your right of exchange in accordance with this Section 10, shall be borne by you unless the Products are faulty or defective.

11. Lack of Conformity - Defects

- 11.1. If you find that a Product sold by us on the Website has defects, is not as described or is incomplete, please contact immediately our Client Services by using this form or calling 055-420491 or by sending an email to customerservice@ginori1735.com.
- 11.2. We are liable for defects in the conformity of the Products with the contract under the conditions set forth in Article L. 217-3 et seq. of the French Consumer Code and for hidden defects in the Products sold under the conditions set out in Articles 1641 et seq. of the French Civil Code.

Under the statutory conformity warranty, if the Product purchased by you on the Website does not conform to the Contract:

- you have a period of two years from the delivery of the Products to act. Any Product repaired within the framework of the statutory conformity warranty benefits from an extension of this warranty of six (6) months.

- you are entitled to have the Product restored to conformity free of charge, by choosing either repair or replacement of the Product, or failing this, to opt for a discount/reduction of the price paid for the Product or for the termination of the Contract within the conditions of Article L. 217-3 et seq. of the French Consumer Code. Please note that we may refuse your chosen remedy (repair or replacement of the Product) if it is impossible or disproportionate in relation to the other remedy as set forth in Article L. 217-12 of the French Consumer Code. According to Article L. 217-8 of the French consumer Code, you also have the right to suspend the payment of all or part of the

price or the delivery of the benefit provided for in the Contract until we have fulfilled our obligations under the statutory conformity warranty in accordance with Articles 1219 and 1220 of the Civil Code.

- you are exempt from proving the existence of the Product's lack of conformity with the Contract for a period of twenty-four (24) months following the delivery of the Product. For second-hand goods, this period is twelve (12) months. However, if we prove that the Product was in conformity with the Contract, your claim will not be accepted.

This warranty is provided in addition to any commercial warranty, if applicable, and the warranty against hidden defects as set out in Art. 1641 of the French Civil Code pursuant to which you may bring a claim within two (2) years following the discovery of the hidden defect. In such case you can choose between the cancellation of the Contract or a reduction of the Product's price as set out under Art. 1641 of the French Civil Code.

11.3. Damage, alteration or modification to the Products caused by you is not a defect or a lack of conformity. For example, without limitations, any damage caused by extensive use or wear; improper use (such as direct exposure to the sun light or heat, contact with liquid, rain or food); normal tear and wear; non-observance of applicable care and/or cleaning instructions, are not defects or a lack of conformity. Likewise, variations in the texture, natural markings or irregularities of natural Products (such as leather or fabric) are inherent to the Product and not defects.

11.4. In the event you request the repair, replacement or return of a Product due to defect or due to the Product not being as described or being incomplete pursuant to this Section 11, we will bear the delivery costs for returning the Products to be repaired, replaced or returned, as well as any costs to deliver back to you the repaired or replaced Products.

- personal injury or death resulting from our negligence;

12.2. Subject to the above, we will remain liable for damages, caused by our breach, that you suffer in respect of all claims and causes of action, arising under or in connection with our General Terms and each Contract except for any delay or failure to perform any of our obligations under our General Terms if such delay or failure is caused by a force majeure event.
